Help Freethought Hall Be "Born Again"!

Naming Opportunities

FFRF's building project will preserve Freethought Hall, FFRF's home since 1990, and one of the oldest buildings in Madison, Wisconsin, while adding a handsome multi-leveled addition.

The expansion will:

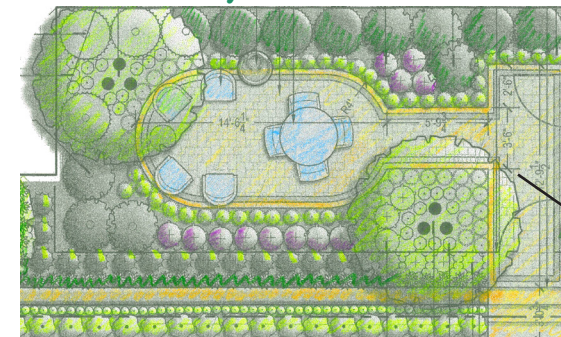

- Quadruple existing space
- Give Freethought Hall a true hall — an elegant top-floor auditorium
- Accommodate current staff, while creating work stations for many new staffers into the future
- Create an entire second story legal wing for our attorneys and legal work
- Add a sumptuous 900-square foot library
- Restore a charming cupola
- Create a TV-radio recording studio
- Provide a large "No Hell Below Us" mailing/shipping area with easy outdoor access in exposed lower level
- Give us more storage — desperately needed!
- Heighten security measures

Phase I. FFRF will break ground this fall — addition finished June 2014.

Phase II. Library and cupola atop original building soon after!

More Than Bricks & Mortar

This expansion will enhance the Freedom From Religion Foundation's capacity, work, visibility, prestige, outreach and future growth. This project will move FFRF — the nation's largest association of freethinkers (atheists & agnostics) — *FORWARD!* (Wisconsin's state motto.)
