Re: Discriminatory Discount

Dear Mr. Wier:

I am writing on behalf of the Freedom From Religion Foundation (FFRF) to follow up on a letter we sent on October 5, 2011. In that letter, we stated that we had received a complaint from a concerned Chick-fil-A customer regarding a promotion that offers a discount to those who bring in a Sunday church bulletin. Offering this discount violates the federal Civil Rights Act in addition to provisions of Florida civil rights statutes. I have included a copy of the original letter for your reference.

To date, we have not received a response to our letter. We would greatly appreciate hearing from you in writing indicating what action has been taken to correct this violation.

Thank you for your time and attention in this matter.

Sincerely,

Stephanie A. Schmitt
Staff Attorney
