RE: Southside High School – Religious music

Dear Ms. Markert:

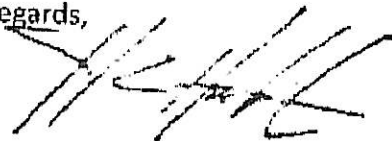

I am in receipt of your letter received Friday, February 10, 2012.

On December 19, 2011, we received a letter from you regarding a complaint of religious music being played throughout Southside High School.

Upon receipt of the letter on that day, we forwarded same to our District counsel. He called Mr. Krantz, the Southside High School Principal, on December 19, 2011, and Mr. Krantz had already removed the religious songs from the music being played before his phone call.

Thank you.

Regards,

Joseph E. Hochreiter  
Superintendent of Schools
