Dear Stephanie:

I am in recipient of the letter you sent pertaining to concerns over a religious flier that was distributed from one of our campuses. Obviously, it was an oversight as our policy clearly does not allow for the distribution of materials from unassociated third parties. Please see a copy of our local policy GKDA (attached).

I appreciate your concern and will ensure that our faculty and staff follow the attached policy in the future.

Sincerely:

Eric Wright, Ed.D
