Attorney Elliott,

This letter is in response to your letter to me dated September 29, 2011 referencing Bible distribution in one of our elementary schools.

The principal at Longest Elementary was at a conference that day and not present at the school. I have instructed all schools to not allow members of the Gideons International Organization to come into the school and distributing Bibles on school property.

Sincerely,

A handwritten signature in black ink that reads "R. Dale Todd".
