Sean,

Group 2 is scheduled to eat at 1:30 when their meeting starts. I know that is a little late but in order to keep the separation...

We will have the clean-up done and be ready for the next group by 1:15 so if the one board member is out by 1:00, the others can plan to be there at 1:15 to eat and the meeting starting at 1:30. Does that make since?

Blessings,  
Marsha

If group two has not eaten what time should they arrive?

Hi Sean,

Steve called and left a message for you as he wanted to visit with you if you have a minute. His cell number is 405-474-3892 and he is available if you would like to give him a call before he goes to his next event.

I just spoke to him and we will continue as planned with the meetings here on the Hobby Lobby campus. We had planned to have lunch brought in for the group to make it easier on all attendees since it is during the noon hour. Should we plan on lunch for Group 2 or will they have already eaten?

Would it be possible to have Group 1 here by 11:30 or 11:45 am so they could start right at 12:00 pm and conclude by 1:00 pm? It would give us a few minutes between meetings to freshen up the room. Please have Group 2 here by 1:15 pm and ready to start their meeting by 1:30 pm and conclude by 2:30 pm. Please advise if these times sound okay.

Thanks so much Sean! We will get the logistics taken care of for you all.

Blessings,  
Marsha

Please just let me know where this event will now be held so that I can advise my team and whether or not we need to grab lunch before the meeting. I want to emphasize again that per my conversation with Ashleigh and the decision to break into two groups, that this will not be a public meeting.

Thanks,

Sean

Hi Sean,

Thank you for your reply. I thought I would respond to confirm receipt and let you know that Steve and Jerry are in Springfield at the VIP Event for the opening of our Passages Exhibit there, just in case Jerry isn't able to respond immediately.

I am glad Ashleigh from Saxum was able to connect with you. Steve reached out to Saxum this morning after several concerns were brought to his attention and he asked that they reach out to you to discuss options. I am sure Steve will call you personally when his schedule is free and he is able to visit.

I am happy to try to help in locating another location for this meeting. I have a couple of ideas that would work well and will check on them and be back in touch asap.

Thanks for your patience and understanding in working with us regarding these concerns.

Blessings,  
Marsha

Jerry,

Just got off the phone with an Ashleigh who suggested she was representing HL. I am told that the location of the meeting is now being changed because the curriculum and the Obama Care issues cannot be "co-mingled." Just wanted to run this by you to see if you were aware. It sounds like Ashleigh wants to either use one of our buildings (auditorium) or a local Technology Center. Our buildings are out. We have school on that day and the late notice won't allow them to alter plans. We are on the front end of state testing so all media centers will be in use as will our HS auditorium. Are you wanting me to try to locate a place to have this meeting or will someone else do that?

We are disappointed that changes are being made four days before the meeting. Since this will not be a Special Meeting at this point, HL can manage who attends and who doesn't and so I am not certain of the need to change plans. Even so, I fully respect the decision and we will adjust. Please let me know what changes will be made and what role I will play in making the changes happen so that I can notify my team; particularly the Board members scheduled to attend.
