Re: Bible Distribution

Dear Mr. Elliott:

I am writing in response to your letters to Dr. Janie Darr of the Rogers School District and your letter of November 9, 2011 to me.

While I do not fully agree with your analysis of the Rogers School District's policy on the distribution of Bibles by Gideons, the matter appears, at this point, to be moot.

Based upon Dr. Darr's recommendation, the Rogers School District has informed the Gideon organization that it will no longer allow the distribution of Bibles on school property. I trust this concludes the matter.

Sincerely,

David R. Matthews
