Re: Martin County Schools Martin County, KY

Dear Ms. Market:

I reviewed the information contained in your last letter to Martin County Board of Education. I have consulted with the Superintendent and Assistant Superintendent, Dr. Michael Kessinger. Dr. Kessinger took steps, and met with the Principal of Sheldon Clark High School and discussed the events complained of in your letter and was assured that the principal understood the correct procedure "no school supported prayer at school events," and was assured that this would not happen in the future at either sports or any other events at the school.

I hope this takes care of your concerns.

Sincerely yours,

John R. Triplett
Attorney at Law
