Re: Unconstitutional prayer during morning announcements

Dear Mr. Line,

I have received your letter today addressing the prayer that was led by a student over the intercom system at Wayne County High School. This is not a daily practice, but was an occurrence where an FCA student was sharing announcements with the student body, and included a prayer as part of her presentation. I have shared your letter with the principal and directed him to enforce the request to cease.

Sincerely,

Marlon J. Davis
Superintendent
