THE BILL OF RIGHTS IS BORN.

Let's honor our secular Bill of Rights, adopted on December 15, 1791.

The First Amendment principle of separation between religion and government has never been in greater jeopardy. Don't let the Christian Nationalists weaponize religious freedom. If you share our concern over threats to true religious liberty, won't you help?

The Freedom From Religion Foundation works to defend our godless Constitution because there can be no true religious liberty, without the freedom to dissent. Individual rights are imperiled whenever government and religion mix.

HELP ACHIEVE TRUE "PEACE ON EARTH, GOODWILL TO ALL."
