Re: High Mount School District 116

Dear Mr. Grover:

I represent High Mount School District 116 in Swansea, Illinois. Your letter dated February 4, 2015, a copy of which I enclose, has been referred to me for response.

The emails to which you refer in your letter were sent without the knowledge or approval of High Mount administrators. The employee who sent the emails has been advised that emails which appear to promote or sponsor a religious organization may not be sent using the High Mount email system or on High Mount letterhead.

Please rest assured that High Mount administration is aware of the constitutional requirements regarding separation of church and state, and there will be no further emails from High Mount employees regarding the Kids for Christ Club.

Thank you for drawing our attention to this matter and if you have any further questions, please do not hesitate to contact me.

Yours very truly,
