Dear Attorney Line:

Thank you for your letter of February 18, 2020. We have consulted with our legal counsel to confirm a clear understanding of the Constitutional requirements referred to in your letter regarding instruction on evolution. We have addressed these requirements with Mr. Lucason who has indicated his understanding of the requirements and his commitment to them. We are confident that his presentation of the curriculum will comply with the New York State Education Law and the U.S. Constitution.
