Re: Offer to Purchase Cross at Riverfront Park

Dear Mayor Johnson:

We are writing on behalf of our national organization, the Freedom From Religion Foundation, which represents more than 23,500 members across the country including over 1,000 in Texas, to offer to purchase the land in Riverfront Park on which the Port Neches cross sits. It is our understanding that last week, the City Council offered to sell this parcel to the First United Methodist Church for as little as \$100.

We are prepared to offer \$2,000 for this same parcel.

We would appreciate a response to our offer to purchase this land and the cross by Tuesday, May 31, 2016.

Sincerely,

Annie Laurie Gaylor and Dan Barker  
Co-Presidents
