Re: Oak Park and River Forest High School Gospel Choir

Dear Mr. Jayne:

I have received your January 23, 2017 correspondence requesting further assurances that District staff will not direct or participate in the activities of the Oak Park and River Forest High School Gospel Choir.

As emphasized in my January 19, 2017 correspondence, the District will affirm compliance with the guidelines and limitations set forth in Section (c) of the Equal Access Act, which naturally encompasses the non-participatory requirement in Section (c)(3). See 20 U.S.C. § 4071(c)(3).

I hope that, in reaffirming the District's position, both the District and the Freedom From Religion Foundation can consider this matter closed.

Very truly yours,

ROBBINS SCHWARTZ
