Re: Welcome Sign Wording

Mr. Grover,

This letter is to inform you of the status of our welcome signs which contain the quote, "One Lord, One Faith, One Baptism". These signs were put up before I took office. We had not received any complaints about them under my administration until your letter.

I do understand the reasoning behind your request to have them removed and wanted to notify you that I am in the process of having the wording removed from the signs. This should resolve the matter.

Sincerely,

A handwritten signature in blue ink that reads "Emily C. Wooten". The signature is written in a cursive style.
