Re: Town of Troutman

Dear Mr. Jayne:

Thank you for your letter of November 15. First, please know that I did not receive your letter of July 28.

The ABC store in Troutman has not been built. It is under construction. In April of 2016, the Town Council voted on how the profits, if and when there are any, would be allocated. They will go to the Troutman Park, the Troutman Library and four public schools in the town.

Sincerely,

Gary W. Thomas
