RE: City of Walton, Kentucky

Dear Mr. Jayne:

Mayor Carnahan asked me to respond to your letter dated April 14, 2016. Please be advised I have discussed the legal issues raised in your correspondence dated December 23, 2015 with Mayor Carnahan and advised him accordingly. Based on that advice, the Mayor indicated that future Christmas displays on City property, if any, will give due deference to existing law concerning separation of church and state.

Sincerely,

Timothy M. Noyes
Walton City Attorney
