

This is the only notice you will ever get from me!

Mr. Sam Grover!

This letter is due to the pain you are inflicting in the life of someone I care very much!

I you don't retract you lawsuit against Concord Community Schools by the end of this year, I will make it my life's mission to one day (In the next weeks, months or even years) when you think this is all done and forgotten about, to find you and the [REDACTED] and I will cut you into pieces and feed you to the fishes in the Elkhart River (Please note that I will enjoy this).

Do yourself a favor, and believe me, when I say: NO ONE WILL STOP ME!

Sincerely: christians are weak!
