

## YES, GOVERNOR DESANTIS – YOU'RE RIGHT

# Our schools *are* for 'EDUCATION, not INDOCTRINATION'

Why, then, are you using your civil office to indoctrinate Florida students with *your* religious views?

- Censoring books, free inquiry and classroom debate over gender, sexual orientation, race and Black American history.
- Squelching science-based sex education and targeting LGBTQ students.
- Touting a 'Parents Bill of Rights' allowing a minority of extremists to impose their views on other parents.
- Proposing to hobble freedom of speech and the press, including defamation suits simply for editorializing that someone is a bigot or homophobic.

## Gov. DeSantis, our rights come from 'We the People,' not your god.

The Founders not only threw out the 'divine rights of kings,' they threw out 'divine rights' altogether. The framers established a godless Constitution and a secular—not Christian—nation. You "Don't Say Gay" but you "Do Say God" when you entangle religion with government and public schools.

## WAKE UP, FLORIDIANS

Don't let Florida become the state where the First Amendment goes to die. Embrace the *courage to be free* . . . from inquisitorial intrusion into free inquiry and debate, what students may read, learn and how they grow into themselves in our public schools and universities.

Help FFRF keep our government and public schools free from religious control, indoctrination and censorship.
