# Stem the Tide OF WHITE CHRISTIAN NATIONALISM

Christian nationalists are endangering our secular democracy.

Religious zealots are prohibiting abortion care in much of the nation. Their goal is a national ban declaring fetal “personhood” at conception. They’re targeting LGBTQ youth. Book bans, hecklers’ vetoes and laws against teaching facts that don’t square with white Christian nationalism are endangering public education. The extremely conservative majority on the Supreme Court is privileging discrimination in the name of “sincerely held religious beliefs.” Voucher schemes are defunding public schools — the symbol of our democracy. Oklahoma’s attorney general calls the newly approved Catholic charter school there — the first fully public-funded religious school in the nation — “a stake in the heart of religious liberty.”

## DEMOCRACY NEEDS YOU AND SO DOES FFRF

Surveys show that the “Nones” (the 29 percent of adult Americans with no religious affiliation) are the sector most committed to secular values and personal liberty. There are more atheists, agnostics or “nothing in particulars” than any one religious sect, including white evangelicals most apt to embrace Christian nationalism. By joining together to stand up for human rights, we secular Americans can reclaim our Divided States of America for *E Pluribus Unum*.

Help FFRF defeat the Big Lie that the United States is a “Christian nation.” Protect the constitutional principle of separation between religion and government that shields our democracy and safeguards nearly every cherished liberty.

Because there’s nobody to save us, but ourselves.
