We’re two of more than 75 million secular Americans who are not religious. The “Nones” (those of us unaffiliated with religion) are now 29 percent of the U.S. population. We’re the largest “denomination” by religious identification!

As secular voters, we trust in reason, science and America’s secular Constitution.

We want Congress, our state legislature, our public officials and our courts to:

X Keep religion out of government and social policy.

X Keep religion out of public schools.

X Keep religion out of bedrooms, personal lives and health care decisions, including when or whether to have children, and whom to love or marry.

X Use our tax dollars only for evidence-based, not faith-based, purposes.

IF YOU AGREE WITH US, PLEASE VOTE YOUR SECULAR VALUES!

And, please, join the Freedom From Religion Foundation.
