Dear Christopher Line,

In response to your letter dated October 28, 2019, we write to advise you about the actions the Cameron R-I School District took in response to your initial correspondence indicating that football coaches of the District were leading "chapel" services for players, praying with players, and reading and discussing bible verses. In response to your complaint, the District conducted an investigation into the matter.

We are unable to share the results of that investigation with you, as it involves confidential personnel information. However, we can tell you that employees of the District were reminded of the District's Board Policy regarding prayer at school or at school-sponsored events, and were also instructed not to lead students in prayer, initiate a prayer with students, or cause a student to initiate prayer. This matter has therefore been resolved.

Matt Robinson

Superintendent of Cameron R-1 School District
