Re: Complaint at Richards Middle School

Dear Mr. Line:

I write on behalf of and as attorney for the Gwinnett County Board of Education and the Gwinnett County School District. Thank you for your September 29, 2022, letter to Superintendent Dr. Calvin Watts regarding allegations of Establishment Clause violations at Richards Middle School. In response to your letter my client investigated the allegations and took corrective action to ensure compliance with Gwinnett County Board of Education policy, applicable federal statutes, and Constitutional principles.

Please do not hesitate to contact me if you have any additional concerns or if you have specific questions.

Sincerely,

THOMPSON, SWEENEY,
KINSINGER & PEREIRA, P.C
