Dear Ms. Martens,

I am the legal counsel for the Salem-Keizer School District in Salem, Oregon. I am responding to your letter of July 22, 2020 to Superintendent Christy Perry regarding a church's sign advertising a church service on school district property. The District looked into the matter and determined that the sign had been left be the church inadvertently. All district properties have been closed for rental activities since March. The church was notified that it cannot have a sign remain on school district property. The sign has been removed. Let me know if you have any questions.
