Re: Trinity Family Church Electioneering

To Whom It May Concern:

I am writing on behalf of the Freedom From Religion Foundation (FFRF) to report concerns of potential illegal political campaigning by Trinity Family Church, located at 107 Piedmont Path, Terrell, TX 75160. FFRF is a national nonprofit organization with more than 39,000 members across the country. Our purposes are to protect the constitutional principle of separation between state and church, and to educate the public on matters relating to nontheism.

According to a November 2022 report published by ProPublica and the Texas Tribune, Trinity Family Church Pastor Marty Reid explicitly endorsed Donald Trump as a candidate for President during a service two days before the 2020 general election, stating, “I believe God has raised up President Trump for such a time as this.”<sup>1</sup>

The Internal Revenue Code states that to retain their 501(c)(3) status an organization cannot “participate in, or intervene in (including the publishing or distributing of statements), any political campaign on behalf of (or in opposition to) any candidate for public office.”<sup>2</sup> Here, Pastor Reid in his role as the pastor of 501(c)(3) organization Trinity Family Church breached the responsibilities that come with his church’s tax exempt status. Pastor Reid endorsing a candidate for president is a violation of these regulations.

Trinity Family Church appears to have improperly used its status as a religious organization and 501(c)(3) entity to intervene in political campaigning. Pastor Reid violated IRS regulations by endorsing Donald Trump, displaying a clear preference for one candidate over others.

We write to respectfully request that the IRS immediately investigate Trinity Family Church, and ensure that it is no longer receiving the benefits of 501(c)(3) status and that donations made to
