**Re: Kennett School District 39**

Dear Mr. Joshi and Mr. Langer:

Our firm represents the Kennett School District 39 (the "District"). Please direct all further communication regarding my client to my direction.

Please allow this correspondence to serve as a response to your April 10, 2024, correspondence, regarding the invocations at Kennett High School graduation ceremonies. The District undertook a comprehensive review of its policies and procedures for its high school graduation ceremonies. Following this review, the District is changing the structure of its high school graduation ceremonies. Going forward the District is removing the student led invocation from its high school graduation ceremonies.

If you have any additional questions or concerns, please direct future correspondence to my attention.

Sincerely,

*/s/ Natalie A. Hoernschemeyer*
