Re: Letter from Freedom from Religion Foundation

Dear Mr. Line

Thank you for bringing your concerns to the attention of the Tulare Joint Union High School District ("District"). The District has looked into the issues raised in the letter. The District immediately addressed the issue and the stickers have been removed or covered so that they are not visible. The District has also spoken with the teacher about the items raised in your letter and we can assure you that the teacher understands the concerns. Personnel matters are confidential and thus we are not able to share the details, however, the District has taken appropriate corrective measures to address this matter.

Also, from the wording of your letter and since the parent and student were not identified, we are unsure if you want this processed as a formal complaint. I have attached various District policies that may apply. If the family would like to file a formal complaint, please let me know.

Again, thank you for bringing these concerns to the District. It is important to the District that we provide an inclusive and respectful environment for all students. If you have any questions, please let me know.

Sincerely,

Lucy Van Scyoc, Ed.D  
Superintendent

**Policy 1312.1: Complaints Concerning District Employees**

**Status:** ADOPTED

**Original Adopted Date:** 07/15/2009 | **Last Revised Date:** 01/16/2020 | **Last Reviewed Date:** 01/16/2020

The Board of Trustees recognizes its accountability to the public for the quality of the district's educational program and the performance of district employees. The district shall provide a process by which a complaint submitted by any person regarding an employee can be resolved impartially, expeditiously, and with minimal disruption to district operations and the educational program.

When a concern regarding an employee is presented during a Board meeting or to an individual Board member or employee outside of a Board meeting, the complainant shall be informed of the appropriate complaint procedure.

Any complaint regarding the Superintendent shall be initially filed in writing with the Board. The Board shall consult with legal counsel or appoint an appropriate agent to conduct the investigation.

The Superintendent or designee shall determine whether a complaint against any other employee should be considered a complaint against the district and/or an individual employee, and whether it should be resolved by the district's process for complaints concerning personnel and/or other district procedures. Any complaint of child abuse or neglect alleged against a district employee shall be reported to the appropriate local agencies in accordance with law and BP 5141.4 - Child Abuse Prevention and Reporting. Any complaint alleging that an employee engaged in unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) in district programs and activities shall be filed in accordance with BP/AR 1312.3 - Uniform Complaint Procedures. Any complaint by an employee, job applicant, volunteer, intern, or independent contractor alleging unlawful discrimination or harassment by an employee shall be filed in accordance with AR 4030 - Nondiscrimination in Employment.

Any complaint subject to this policy and the accompanying administrative regulation shall be investigated by the principal, the employee's immediate supervisor, the Superintendent or designee, legal counsel, agent of the Board, and/or other appropriate person who is not the subject of the complaint or subordinate to the employee charged in the complaint. The complainant and the employee shall have an opportunity to present information relevant to the complaint.

A complaint that is filed anonymously may be investigated by the Superintendent or designee depending on the specificity and reliability of the information.

If a complainant requests confidentiality, the Superintendent or designee shall inform the complainant that the request may limit the district's ability to investigate the employee's conduct or take other necessary action. However, the Superintendent or designee shall take all reasonable steps to investigate and resolve the complaint without divulging the complainant's identity.

The Board prohibits retaliation against complainants.

### **Appeals**

If either the complainant or the employee submits an appeal of the Superintendent's decision to the Board, the Board shall determine whether to uphold the Superintendent's decision without hearing the complaint, appoint an appeals committee to advise the Board, or hear the appeal itself.

If the Board decides to hear the complaint, the matter shall be addressed in closed session in accordance with Government Code 54957 unless the employee requests that it be heard in open session. The Board shall review the original complaint and additional information provided by the Superintendent or designee regarding the steps taken to resolve the issue.

The Board's decision shall be final.

**Regulation 1312.3: Uniform Complaint Procedures**

**Status:** ADOPTED

**Original Adopted Date:** 07/15/2009 | **Last Revised Date:** 01/17/2024 | **Last Reviewed Date:** 01/17/2024

Except as may otherwise be specifically provided in other district policies, these uniform complaint procedures (UCP) shall be used to investigate and resolve only the complaints specified in the accompanying Board policy.

**Compliance Officers**

The district designates the individual(s), position(s), or unit(s) identified below as responsible for receiving, coordinating, and investigating complaints and for complying with state and federal civil rights laws. The individual(s), position(s), or unit(s) also serve as the compliance officer(s) specified in Administrative Regulation 5145.3 - Nondiscrimination/Harassment responsible for handling complaints regarding unlawful discrimination, harassment, intimidation, or bullying and in Administrative Regulation 5145.7 - Sexual Harassment for handling complaints regarding sexual harassment.

Tammy Aldaco, Asst. Superintendent for Human Resources & Business  
Tulare Joint Union High School District Office  
426 North Blackstone  
Tulare, California 93274  
(559) 688-2021  
tammy.aldaco@tulare.k12.ca.us

The compliance officer who receives a complaint may assign another compliance officer to investigate and resolve the complaint. The compliance officer shall promptly notify the complainant and respondent if another compliance officer is assigned to the complaint.

In no instance shall a compliance officer be assigned to a complaint in which the compliance officer has a bias or conflict of interest that would prohibit the fair investigation or resolution of the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated.

The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program; applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination, harassment, intimidation, or bullying; applicable standards for reaching decisions on complaints; and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the Superintendent or designee.

The compliance officer or, if necessary, an appropriate administrator shall determine whether interim measures are necessary during an investigation and while the result is pending. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the district issues its final written decision, whichever occurs first.

**Notifications**

The district's UCP policy and administrative regulation shall be posted in all district schools and offices, including staff lounges and student government meeting rooms. (Education Code 234.1)

In addition, the Superintendent or designee shall annually provide written notification of the district's UCP to students, employees, parents/guardians of district students, district advisory committee members, school advisory committee members, appropriate private school officials or representatives, and other interested parties. (5 CCR

4622)

The notice shall include:

1. A statement that the district is primarily responsible for compliance with federal and state laws and regulations, including those related to prohibition of unlawful discrimination, harassment, intimidation, or bullying against any protected group, and a list of all programs and activities that are subject to UCP as identified in the section "Complaints Subject to UCP" in the accompanying Board policy
2. The title of the position responsible for processing complaints, the identity of the person(s) currently occupying that position if known, and a statement that such persons will be knowledgeable about the laws and programs that they are assigned to investigate
3. A statement that a UCP complaint, except a complaint alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed no later than one year from the date the alleged violation occurred
4. A statement that a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying must be filed no later than six months from the date of the alleged conduct or the date the complainant first obtained knowledge of the facts of the alleged conduct
5. A statement that a student enrolled in a public school shall not be required to pay a fee for participation in an educational activity that constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities
6. A statement that a complaint regarding student fees or the local control and accountability plan (LCAP) may be filed anonymously if the complainant provides evidence or information leading to evidence to support the complaint
7. A statement that the district will post a standardized notice of the educational and graduation requirements of foster youth, students experiencing homelessness, children of military families, former juvenile court school students now enrolled in the district, students who are migratory, and students participating in a newcomer program as specified in Education Code 48645.7, 48853, 48853.5, 49069.5, 51225.1, and 51225.2, and the complaint process
8. A statement that complaints will be investigated in accordance with the district's UCP and a written decision will be sent to the complainant within 60 days from the receipt of the complaint, unless this time period is extended by written agreement of the complainant
9. A statement that, for programs within the scope of the UCP as specified in the accompanying Board policy, the complainant has a right to appeal the district's investigation report to the California Department of Education (CDE) by filing a written appeal, including a copy of the original complaint and the district's decision, within 30 calendar days of receiving the district's decision
10. A statement advising the complainant of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal laws prohibiting discrimination, harassment, intimidation, or bullying, if applicable
11. A statement that copies of the district's UCP are available free of charge

The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.6 shall be posted on the district and district school websites and may be provided through district-supported social media, if available.

The Superintendent or designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, have access to the relevant information provided in the district's policy, regulation, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's UCP policy, regulation, forms, and notices shall be translated into that language, in accordance

with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

### **Filing of Complaints**

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp. If a site administrator not designated as a compliance officer receives a complaint, the site administrator shall notify the compliance officer.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy may be filed by any individual, public agency, or organization. (5 CCR 4600)
2. Any complaint alleging noncompliance with law regarding the prohibition against student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee.
3. A UCP complaint, except for a UCP complaint alleging unlawful discrimination, harassment, intimidation, or bullying, shall be filed no later than one year from the date the alleged violation occurred. For complaints related to the LCAP, the date of the alleged violation is the date when the County Superintendent of Schools approves the LCAP that was adopted by the Governing Board. (5 CCR 4630)
4. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying may be filed only by a person who alleges having personally suffered unlawful discrimination, a person who believes that any specific class of individuals has been subjected to unlawful discrimination, or a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying. (5 CCR 4630)
5. A complaint alleging unlawful discrimination, harassment, intimidation, or bullying shall be initiated no later than six months from the date that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)
6. When a complaint alleging unlawful discrimination, harassment, intimidation, or bullying is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
7. When a complainant of unlawful discrimination, harassment, intimidation, or bullying or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

### **Mediation**

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation to resolve the complaint. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall ensure that all parties agree to permit the mediator access to all relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

### **Investigation of Complaint**

The compliance officer shall begin an investigation into the complaint within 10 business days of receiving the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform the parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination, harassment, intimidation, or bullying, the compliance officer shall interview the alleged victim(s), any alleged offender(s), and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Refusal by the district to provide the investigator with access to records and/or information related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or any other obstruction of the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

### **Timeline for Investigation Report**

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written investigation report, as described in the section "Investigation Report" below, within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

For any complaint alleging unlawful discrimination, harassment, intimidation, or bullying, the respondent shall be informed of any extension of the timeline agreed to by the complainant.

### **Investigation Report**

For all complaints, the district's investigation report shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered
2. A conclusion providing a clear determination for each allegation as to whether the district is in compliance with the relevant law
3. Corrective action(s) whenever the district finds merit in the complaint, including, when required by law, a remedy to all affected students and parents/guardians and, for a student fees complaint, a remedy that complies with Education Code 49013 and 5 CCR 4600
4. Notice of the complainant's right to appeal the district's investigation report to CDE, except when the district has used the UCP to address a complaint not specified in 5 CCR 4610
5. Procedures to be followed for initiating an appeal to CDE

The investigation report may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with district legal counsel, information about the relevant part of an investigation report may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the investigation report or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination, harassment, intimidation, or bullying, notice of the investigation report to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient (LEP) student or parent/guardian, then the district's response, if requested by the complainant, and the investigation report shall be written in English and the primary language in which the complaint was filed.

For complaints alleging unlawful discrimination, harassment, intimidation, or bullying based on state law, the investigation report shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the district's complaint procedures, including, but not limited to, injunctions, restraining orders or other remedies or orders, 60 calendar days after the filing of an appeal with CDE (Education Code 262.3)
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at [www.ed.gov/ocr](http://www.ed.gov/ocr) within 180 days of the alleged discrimination

### **Corrective Actions**

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination, harassment, intimidation, or bullying, appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services

4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints of retaliation or unlawful discrimination, harassment, intimidation, or bullying involving a student as the respondent, appropriate corrective actions that may be provided to the student include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law
7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination, harassment, intimidation, or bullying, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, harassment, intimidation, or bullying, that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the law regarding student fees, deposits, and other charges, physical education instructional minutes, courses without educational content, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51222, 51223, 51228.3, 52075)

For complaints alleging noncompliance with the law regarding student fees, the district, by engaging in reasonable efforts, shall attempt in good faith to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

### **Appeals to the California Department of Education**

Any complainant who is dissatisfied with the district's investigation report on a complaint regarding any specified federal or state educational program subject to UCP may file an appeal in writing with CDE within 30 calendar days of receiving the district's investigation report. (5 CCR 4632)

The appeal shall be sent to CDE with a copy of the original locally filed complaint and a copy of the district's investigation report for that complaint. The complainant shall specify and explain the basis for the appeal, including at least one of the following: (5 CCR 4632)

1. The district failed to follow its complaint procedures
2. Relative to the allegations of the complaint, the district's investigation report lacks material findings of fact necessary to reach a conclusion of law
3. The material findings of fact in the district's investigation report are not supported by substantial evidence
4. The legal conclusion in the district's investigation report is inconsistent with the law
5. In a case in which the district found noncompliance, the corrective actions fail to provide a proper remedy

Upon notification by CDE that the district's investigation report has been appealed, the Superintendent or designee shall forward the following documents to CDE within 10 days of the date of notification: (5 CCR 4633)

1. A copy of the original complaint
2. A copy of the district's investigation report
3. A copy of the investigation file including, but not limited to, all notes, interviews, and documents submitted by the parties and gathered by the investigator
4. A report of any action taken to resolve the complaint
5. A copy of the district's UCP
6. Other relevant information requested by CDE

If notified by CDE that the district's investigation report failed to address allegation(s) raised by the complaint, the district shall, within 20 days of the notification, provide CDE and the appellant with an amended investigation report that addresses the allegation(s) that were not addressed in the original investigation report. The amended report shall also inform the appellant of the right to separately appeal the amended report with respect to the allegation(s) that were not addressed in the original report. (5 CCR 4632)

UNIFORM COMPLAINT PROCEDURES

**Policy 1312.3: Uniform Complaint Procedures**

**Status:** ADOPTED

**Original Adopted Date:** 07/15/2009 | **Last Revised Date:** 01/17/2024 | **Last Reviewed Date:** 01/17/2024

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The Board encourages the early resolution of complaints whenever possible. To resolve complaints which may require a more formal process, the Board adopts the uniform system of complaint processes specified in 5 CCR 4600-4670 and the accompanying administrative regulation.

**Complaints Subject to UCP**

The district's uniform complaint procedures (UCP) shall be used to investigate and resolve complaints regarding the following programs and activities:

1. Accommodations for pregnant and parenting students (Education Code 46015)

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process for resolving a complaint in a manner that is acceptable to all parties. An ADR process such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. For any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep the identity of the complainant, and/or the subject of the complaint if different from the complainant, confidential when appropriate and as long as the integrity of the complaint process is maintained.

When an allegation that is not subject to UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and requirements related to UCP, including the steps and timelines specified in this policy and the accompanying administrative regulation.

The Superintendent or designee shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.
