Re: Correspondence to Amarillo ISD

Dear Mr. Joshi and Mr. Linger:

Our Firm represents the Amarillo Independent School District (“the District”). I am writing on behalf of the District regarding your letter dated September 20, 2024. In that letter, you report that a Tascosa High School staff member is proselytizing students during school activities, specifically, through an electronic messaging system.

District and campus administration reviewed your letter and relevant case law decisions with the staff member. The District is confident the staff member now has a better understanding of applicable law, and has discontinued the use of Bible verses in communications with students.

Thank you for your attention to this correspondence.

Sincerely,

Andrea Slater Gulley
