*The State of the Separation
Between State & Church...*

IS PERILOUS

HELP STEM THE CHRISTIAN NATIONALIST TIDAL WAVE

Our revered constitutional principle of separation between religion and government has never been under greater assault. Also endangered are many individual liberties predicated on a secular government.

- ★ President Trump says he's on a divine mission: "I was saved by God to make America great again" and to "Make America pray again."
- ★ Anti-vaxxer HHS Secretary Robert F. Kennedy — who claims "God sent me President Trump" — poses a menace to public health.
- ★ Conservative Christian Attorney General Pam Bondi is overseeing Trump's phony "Eradicating Anti-Christian Bias" executive order.
- ★ Trump and many members of Congress are backing a national universal voucher program — at the expense of our secular public schools.
- ★ State legislation has been introduced to put bibles and Ten Commandments in schools and even to declare Jesus Christ "King."
